**McKinney-Vento 101 Review**

- **Reauthorized in 2002 as part of the NCLB Act**
- **Main themes:**
  - School stability
  - School access
  - Support for academic success
  - Child/youth-centered, best-interest decision making

---

---

---

---

**Who are Unaccompanied Children and Youth Under the McKinney-Vento Act?**

- **Unaccompanied Youth**  
 Children and Youth experiencing homelessness and not in the physical custody of a parent or guardian.
- **Is there an age range?**  
 No. McKinney-Vento applies to all school-aged children and youth as defined by state law.
- **Is there a citizenship requirement?**  
 No. Supreme Court case *Plyler v. Doe* (1982) makes it unlawful for schools to deny access to undocumented immigrants or ask about immigration status. McKinney-Vento must be equally applied to undocumented students.

### Who are Unaccompanied Children and Youth Under the McKinney-Vento Act?

- 2-step Process
  - 1) Does the student's living arrangement meet the McKinney-Vento Act's definition of homeless?
  - 2) Once homelessness is determined, is the student unaccompanied?
- Unaccompanied = "Not in the physical custody of a parent or guardian"
- In practical terms, this means the youth does not live with the parent or guardian

---

---

---

---

---

---

---

### Eligible or Not?

- Ashley shows up at your school to enroll herself without an adult. She tells you that she can't get along with her stepdad and had to leave home.
  - Her mom calls the school and says Ashley just wants to live with her boyfriend.
  - Would you qualify Ashley for McKinney-Vento?
- Eligible? Is she homeless? Is she unaccompanied?
  - Would you like to have additional information? If so, what questions would you ask?
  - Questions?

---

---

---

---

---

---

---

---

### Eligible or Not?

- Sara's dad is a professor at a local college. He will be teaching in another state for one semester as a visiting professor.
  - Because Sara is going into her senior year of high school, she plans to stay with a neighborhood friend while her dad is away.
- Eligible? Is she homeless? Is she unaccompanied?
  - Would you like to have additional information? If so, what questions would you ask?

### Eligible or Not?

- Javier's parents went back to Mexico and left him.
- Javier stayed with three different relatives over the last few years. He has been with one relative for over a year now and it appears this is where he will be indefinitely.
- Would you qualify Javier for McKinney-Vento?
- Eligible? Is he homeless? Is he unaccompanied?
- Would you like to have additional information? If so, what questions would you ask?

### Who are Unaccompanied Children and Youth in your Community?

- **Family Separation**
- **Parental Incarceration**
- **Illness, Hospitalization, Death**
- **Economics**
  - Youth are leaving home or being asked to leave to free up resources for younger siblings.
- **Pregnancy**
  - Ten percent (10%) of currently homeless female teenagers are pregnant.
- **Abuse/Neglect**
  - 20-40% were sexually abused in their homes.
  - 40-60% were physically abused.
  - 21-53% have a history of child welfare placement.
- **Family Dysfunction**
  - Over 2/3 of callers to the Runaway Hotline report at least one parent abuses drugs or alcohol.
  - Over 1/2 of youth living in shelters report that their parents told them to leave or didn't care.
  - Many youth have been thrown out because of their sexual orientation (20-40% identify as GLBTQ).

**Local Educational Agencies Roles and Responsibilities**

**Under McKinney-Vento Homeless Liaison's must:**

- ✓ **Identify** unaccompanied children and youth (including those not attending school) through school and community
- ✓ Help them select and **enroll** in school
- ✓ Help them **attend** school

14

---

---

---

---

---

---

---

---

**Local Educational Agencies Roles and Responsibilities**

**How do liaisons help unaccompanied children and youth attend school?**

- Inform them of rights to transportation to the school of origin and assist with arranging transportation
- Work with school counselors and administrators to modify class schedules to meet student needs (late arrival, early departure, online classes, etc.)
- Inform youth of right to appeal school selection decisions counter to their wishes
- Inform school personnel of requirements of the law and needs of unaccompanied children and youth
- Ensure youth have a full opportunity to *succeed* in school

15

---

---

---

---

---

---

---

---

**Providing support IN school...**

**Strategies to Assist**

- Education Planning
  - What is the best school for the student?
- Credit Accrual
  - Are there credits missing from student's transcript?
  - Partial credit earned or in progress?
- Attendance Issues
  - Flexible schedule needed?
- Transportation Support

16

---

---

---

---

---

---

---

---

**Practices that Ensure Full Participation**

- Enroll homeless student immediately in school, including full participation in all classes and school activities
- Help youth become involved in school sports, clubs, extracurricular activities, and special classes, based on their interests and abilities
- Ensure that deadlines and fees for participating in school programs, classes and extracurricular activities are waived for homeless children and youth

17

---

---

---

---

---

---

---

---

**Practices that Ensure Full Participation, continued**

- Use Title I-A funds, donations, or other funding to help pay fees
- Decide who can make decisions for an unaccompanied youth regarding participation in classes, activities, field trips, etc.
- Determine or establish policy about who can make decisions for an unaccompanied youth regarding participation in classes, activities, field trips, etc.

18

---

---

---

---

---

---

---

---

**Education Planning and Strategies**

- Help students get the most out of their high school experience
- Prepare them for higher education and/or employment
- Strategies to assist unaccompanied youth with educational planning:
  - Ensure that students have access to and understand the district's education planning guide
  - Review transcripts from each school attended to ensure credits received were properly transferred

19

---

---

---

---

---

---

---

---

**Education Strategies, continued**

- Assist students with determining post-high school plans:
  - Employment
  - Vocational Training
  - Community/Public College
  - Four-year College or University
- Identify elective courses needed for chosen career plans
- Assist with completing FAFSA

20

---

---

---

---

---

---

---

---

**Helping Youth Feel Productive and Valued: Credit Accrual**

**The school/district helps unaccompanied youth make up lost credits and accrue credits.**

- Act requires that schools/districts remove barriers to enrollment and retention. Barriers to accruing credits fall under this requirement.
- Many unaccompanied youth are absent or tardy due to homelessness, often resulting in youth not earning credits due to credit accrual policies.
- Some youth miss long periods of school due to their struggle to meet their own basic needs, making it difficult to earn credits.

21

---

---

---

---

---

---

---

---

**Helping Youth Feel Productive and Valued:  
Credit Accrual**

**How can schools help unaccompanied youth make up lost credits?**

- Revise credit accrual policies to excused absences and tardies caused by homelessness
- Award partial credit for work completed
- Offer flexible school hours, particularly evening hours
- “Chunk” credits into smaller time frames, so youth can earn some credits every three or four weeks

22

---

---

---

---

---

---

---

---

**Helping Youth Feel Productive and Valued:  
Credit Accrual, continued**

**How can schools help unaccompanied youth make up lost credits?**

- Award credit for employment
- Provide independent study opportunities
- Provide self-paced computerized learning opportunities, attached to regular High School programs
- Partner with local colleges and universities
- Use M-V funds and Title I-A set-aside funds
- Partner with dropout prevention/recovery programs, adult education, 21st Century Learning Centers, and other programs

23

---

---

---

---

---

---

---

---

**Attendance Issues**

**How can schools help unaccompanied youth address attendance issues?**

- Provide alternative means of transportation
- Monitor attendance closely
- Track moves
- Attend re-admit conferences
- Assist with demanding circumstances that may be hindering students from attending school (i.e., childcare, housing, health, mental health, etc.)

24

---

---

---

---

---

---

---

---

**Transportation Support**

**How can schools help unaccompanied youth address transportation challenges?**

- Establish a strong collaboration between Homeless Liaison and district's Transportation Department
- Establish a strong collaboration between neighboring districts
- Explore alternative transportation options:
  - Special routes within district
  - Public transportation
  - Private transportation
  - Transportation vouchers
  - Reimbursement for mileage

36

---

---

---

---

---

---

---

---

**Polk County**

- Started by calling important community members and sharing the facts about homeless unaccompanied high school youth and the additional support they need to at least complete high school
- Stated the realization that some of the barriers may not be able to be removed for ALL youth, but if we, as a group, can make a difference for one, five, or ten youth, then it is worth our efforts

37

---

---

---

---

---

---

---

---

**Polk County**

- Initial meeting
  - Three youth shared their stories of how they became homeless and their support systems
- Identified barriers and divided into three focus groups:
  1. Housing
  2. Health
  3. Additional Services – employment, transportation, etc.

38

---

---

---

---

---

---

---

---

**Polk County**

- Currently, housing and medical service charts are being developed divided by age group
- Identified two new housing options that are being started in Polk County
- No cost, except individuals' time to network and research
